Dear Mr Hodgson

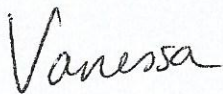

Thank you so much for your kind donation of £265.00, raised from Carol singing. Your generous support is so valued by everyone at Hope House.

2014 was our busiest year ever. Thanks to generous supporters like yourself we were able to provide care at Hope House in Shropshire and Ty Gobaith in North Wales for 302 local children, and provide support both at the hospices and at home for 656 local families. We were also able to provide 3,600 counselling sessions for families who use the hospices and also for families in the wider community who have lost a child in whatever circumstances.

As you might already know, we receive approximately one month's Government funding for our services – for the other 11 months of the year we are funded completely by donations and fundraising.

Please accept our heartfelt thanks for your kind donation – without your help we simply couldn't exist.

Kindest regards

Vanessa Thomas
