Dear Mr Hodgson

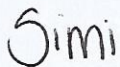

Thank you so much for your kind gift of £220.00 towards our work at Hope House Children's Hospices.

Your generosity enables us to make the most of every moment at both our hospices – Hope House in Shropshire and Ty Gobaith in North Wales – for the children and families who need us. This could be through organised activities at the hospices that can often be difficult to carry out at home without the support of dedicated care staff, or taking some of the children we care for, along with their brothers or sisters, for a special day out. None of this would be possible without your financial support, which really does make a difference to our work.

Thanks to all your support, last year's income was £5.6 million, with more than 600 volunteers helping us raise the funds.

Please accept our heartfelt thanks for your kind gift – without your help we simply couldn't exist.

Kindest regards

Simi Epstein
