ii) Playground – update on completion of works: £1000 paid to partially settle account. Cllr Coulon expressed unhappiness with fence. Supports have been removed on one side. Large gaps under fence which will present a hazard if left unfilled – would have been better to secure fencing against wood retainer – one stone supporting post. One end is unsecured and needs support. Gate is at an angle. Gap near bank. Would like it redone. Fence material ok but work substandard. Health and safety issue potentially. Has requested Councillors inspect the fencing. Cllr Paterson ran through the quotations. Cllr Power to reconcile invoices and report again having requested remedials.
