It was resolved by the Council that these items be paid.

6. **Consultation: Proposed changes to the speed limit on various sections of the A529** – Prior to the Meeting the Council had received the email and maps from Geoff Brough, Data and Traffic Regulation Officer in the Highways Dept of Shropshire Council. There proposals were discussed and the Council agreed to make the comments that:

While they welcomed the reduction in the speed limit between the Cheshire Bounder and Adderley, they would have preferred the reduction to be to 40 mph for the entire length of this section of highway and not 50 mph for part of it. The Parish Council would also suggest that, once the Shropshire Highways initiative of 20 mph outside schools is introduced in Adderley, a ½ mile stretch on the approach to Adderley be further reduced to 30 mph so as to further slow vehicles approaching the village, as the school is so close to the edge of the village on the north side.

There being no other business the Chairman declared the meeting closed at 7.20 pm
