

ADDERLEY
CHRISTMAS SPECIAL!
URGENT HELP
NEEDED!

OH MY GOODNESS! Its time to ask for your help!

We've had a phone call from Mrs Claus. She says Santa is worried and needs our help. It's a huge job but Mrs Claus says she knows Adderley is up to the task.

Santa and the elves are very sad. Santa is really worried that there might not be enough magic for the reindeer to fly on Christmas Eve. We all know what that would mean. So Mrs Claus has asked if she can bring the elves and Santa to Adderley on 2 December to share in our magic and try and cheer them all up.

Well, we've been thinking, and we wonder if we could do abit more than that. How about if we all tell Santa about something we have done that makes Christmas magic happen? You know the sort of thing—being kind, helping someone, making someone smile, helping with chores without being asked, cup of tea in bed for mum or dad, helping someone put up their decorations if they are abit wobbly, doing the garden—anything that makes kindness magic.

There's a box of lovely red extra Christmas tags in the book shelter like the one in this letter. Write what your magic help is and bring it along on 2nd December, **Grown ups too please!** And show it to Santa or hang it on the magic tree in the village hall. That should make all the magic we need and make Santa very happy!

Could you **make a happy magic Xmas poster too perhaps** to put up in the village? Email it to webmaster@adderleyvillage.co.uk and we will print lots to go up around the village to cheer Santa up.
