

Val Nash  
Adderley Carol Singing

Dear Val and everyone in Adderley!

The support our two hospices receives from the community is nothing short of amazing. Every single penny that comes through our doors is a treasured piece of our fundraising jigsaw, especially when we know the story behind the donation. I am so glad the people of Adderley are still coming together to enjoy carols!! Your support in the village since 2002 is to be commended.

Thank you for your donating £227.90 for the children and families we care for across Shropshire, Cheshire, North and Mid Wales. Without donations from people like you, who understand how vital our services are, we simply couldn't do what we do. Without our hospices, families would be alone, supported and frightened.

Our families continue to tell us every day that our hospices are an absolute lifeline for them, "They are ones that keep us from breaking". The care we can provide thanks to your donation is expert, bespoke and life changing. We are truly thankful that you have chosen to join us as we strive to ensure that no one suffers the death of a child alone.

Thank you for thinking about our Hope House Children's Hospices. When I talk to the children and families, they say that knowing the fact that there are people like you who they have never met means the world to them and they find it comforting.

Please do thank everyone involved in your event and here's to supporting your community

Best wishes
