- 3. Public Session** – There were three members of the public present. One of the members of the public was a representative of Market Drayton and District Ramblers and spoke in support of the Shropshire Council Right of Way Modification Order.
- 4. Notice of Rights of Way Modification Orders** – In light of the various emails received by the Parish Council relating to this issue it was discussed in detail by the Parish Council again. Since the previous meeting the Parish Councillors had spoken to a number of parishioners and most were in favour of this footpath and bridleway being reinstated in the north of the Parish to link up with the existing path in Cheshire. Each Councillor had the opportunity to put forward their views and those of the parishioners they had spoken to and although there was a general feeling that the footpath would be an asset to the village there was also strong concerns about the route especially as it passed in front of the bedroom window of Pool House and through the back yard and also the two routes across the field. The Council asked the Clerk to write to Shropshire Council's Right of Way Officers to advise them that although the Parish Council did not want to object to these Modification Orders they wanted their concerns to be raised with the hope that these rights way could be re-routed so that they did not unreasonably impact of the residents involved.
