

Dear Jane

Thank you for your letter dated 13.09.2018.

I am grateful for the time taken to write the contents and I have passed the same to the project teams for their consideration.

You raise a number of important questions that will be investigated and improved through safety countermeasures where appropriate.

I especially note the Parish Council's concern regarding Norton Lane and Shavington Road.

I look forward to working with Adderley Parish in the future to ensure the success of this project.

Best wishes

JOSH GREENROYD
